

Test key and audioscript

Marks are not shown on the tests themselves to allow you the flexibility to grade in a way that suits your teaching situation. However, a suggested scheme is given below that you may wish to use. This scheme gives a total of 85 marks for each test. Note that all four skills carry equal weight in the Movers Tests. There are two complete tests in this section.

Test Units 1–4 pp. 90–112

Speaking (20 marks)

PREPARATION

- Photocopy, color, and cut out the cards on pages 110–112.
- Mount them on thin cardboard and laminate them, if possible, for future use.
- Prepare reinforcement or extension worksheets or other work for the rest of the class to do while you work with individual students on the Speaking test.

PROCEDURE

- Ask the student how old he/she is.
- Ask the student to describe several differences between the two Find the Differences pictures, e.g., *This is a doll, but this is a robot.*
- Tell the student the name of the story "Kim and the dog" and describe the first picture, e.g., *Kim is shopping with her mom and dad. Kim is looking at a toy dog in a toy store. She wants the dog, but her mom says, "No, Kim, not now. Let's go to the park."* Ask the student to continue with the story.
- Ask the student to choose one picture in each of the four Find the different one sets, and to explain why it is the different one in that set, e.g., *These are all people, but this is a toy.*
- Ask questions about the student, e.g., *How many brothers and sisters do you have?*
