SB24. ACTIVITY 1. Read, listen, and match.

- Tell students to open their Student's Book to page 24. Read the lesson title and check comprehension of *Geography*. Focus on the photographs of the homes and the children. Elicit what students can see (water, trees, living room, couch, etc.) and which home they like best (from the photographs). Present/ elicit *city* and *country* (ask, e.g., *Is home c in the city or the country?*). Do not present any other new words at this stage if students do not offer them. Ask a student to read aloud the activity instructions. Check students know what to do.
- Play the CD. Students read the texts individually along with the CD. They compare their ideas with a partner. Check with the class. I live in a small apartment in the city. The kitchen and the living room are one room. I love living in the center of the city.

My home's in the country. I live in a tree house. My bedroom doesn't have a window, but from the living room I can see a lot of different birds and animals.

My home is on water. I live in a houseboat. It doesn't have a yard, but I can see ducks from my bedroom! There aren't any streets or roads close to my house. It's great.

I live in a castle. My home is very big and very old, and it has fifteen bedrooms. I love walking in the yard because there are a lot of trees.

SB24. ACTIVITY 2. Listen, read, and write.

- Focus students on Activity 2. Direct them to the activity instructions and read through the sentences. Check/explain new words (e.g., *center of the city, mountains*). Students do the activity in pairs. Check with the class.

Key: 1 small apartment, 2 kitchen and living room, 3 houseboat, 4 ducks, 5 treehouse, 6 birds and animals, 7 castle, 8 15/ fifteen

- Tell students to open their Workbook to page 24. Elicit the types of houses they can see in the pictures. Elicit who lives in the tree house (Sue). Direct students to the activity instructions. Check they understand that they need to choose who lives where. They secretly draw lines to match each person to a home.

WB24. ACTIVITY 2. Now ask and match.

- Make new pairs. Students don't look at their partner's book. They take turns asking and answering, using the example as a model. They draw lines for their partner's choices. They look and check.

WB24. ACTIVITY 3. Now complete the sentences.

- Focus students on the example. Students complete the sentences to reflect their own choices. Monitor students as they are working to check and help. Answers will depend on the students.

SB25. ACTIVITY 3. Ask and answer.

- Tell students to open their Student's Book to page 25. Review what they remember about the homes in the previous lesson. If students provide answers in L1, provide the words in English. Make sure you review the different types of homes (*houseboat, apartment, tree house, castle*).

Would you like to live in a castle? No, I wouldn't. Why not? Because it's very big.

Direct students to the activity instructions and check understanding. Read the first two sentences aloud and then stop. Say *Look at the picture*. Show them the example. - Elicit ideas from students about their dream house. Students make notes in their notebooks about the house before they draw it. They can use a mind map. On paper, students draw their dream house. Then they label their house and write a short text as shown in the second photograph in the Student's Book.
