

OBJECTIVES: By the end of the lesson, students will have reviewed language from Units 5 and 6 and played a game.

● **TARGET LANGUAGE**

Key language: vocabulary and language from Units 5 and 6, *adventure, bridge, mountain*

Additional language: *choose, so, remember to ...*

Review: language for games, *beach*

● **MATERIALS REQUIRED**

Warmer: Key vocabulary from Units 5 and 6, written on pieces of paper (one for each student) or word cards (see *Kid's Box AE Teacher's Resource Book 3* pages 86 and 87)

Country flashcards (71–78)

A die and four different colored game pieces for each group of four students

Optional: A large piece of paper for each student, colored pencils, glue, scissors

Warmer

- Hand out pieces of paper with key words from Units 5 and 6 or word cards (one for each student). Make groups of six. Students take turns saying what their word is and giving a sentence using their word. The other students in the group decide if it's used correctly or not. Monitor and help as necessary. Elicit an example sentence for each word.

SB62. ACTIVITY 1. Play the game.

- Use the country flashcards to review vocabulary from Unit 6. Draw a bridge and a mountain on the board and elicit the words.
- Students open their Student's Book to page 62. Elicit what they can see (a game) and what Key is saying. Say *Can you remember some of the language we use in games?* Elicit/ prompt, e.g., *Whose turn is it? Pass the die. I'm red. What does ... mean? You've won. That's not fair.* Remind students to use English. Say *You speak (their mother tongue), you miss a turn!* Check understanding of *miss a turn*. Check students know how to play and demonstrate the game. They roll the die and go around the board. When they land on an instruction square, they must read it aloud and follow the instructions. Check understanding of *go forward, go back, throw again / throw a six*.
- Students make groups of four. They clear their desks and place one book in the center. Hand out a die and four different colored game pieces to each group. They roll the die to see who starts. Play moves from *Start* to *Finish*. The first student in each group to reach the Finish line is the winner.

WB62. ACTIVITY 1. Choose your adventure.

- Tell students to open their Workbook to page 62. Check understanding of *adventure*. Elicit some of their ideas for an adventure. Focus students on the activity and check they know what to do: they choose one of the two options each time. With pencils down, students take turns reading the text aloud. Check understanding of the adventure and of the options as you go. Students work individually and circle their options. In groups of four, they read their adventure to their friends.

WB62. ACTIVITY 2. Look at Activity 1. Write.

- Tell students they are going to write their own adventures. Remind them to use the text in Activity 1 as a model. If necessary, copy this text onto the board and underline the words/phrases that they can use (or change). Brainstorm ideas with the class before they start writing. Students use the picture prompts, but they can also add their own ideas. Students write a draft in their notebooks. They read and check their partner's work. Monitor to help and support. Students write the adventure in their Workbook or on a piece of paper if you want to make posters.

Extra activity: see page T107 (if time)

Ending the lesson

- Mime carrying heavy bags and/or say *These bags are heavy!* to elicit the suggestion *Should I help you?* Use other mimes/ prompts, e.g., *I'm tired, I'm not well, I'm hungry, I'm thirsty, I'm cold, The board is dirty* to elicit similar suggestions.

OBJECTIVES: By the end of the lesson, students will have reviewed language from Units 5 and 6 and talked about differences between pictures.

● TARGET LANGUAGE

Key language: vocabulary and language from Units 5 and 6, *differences, place*

Additional language: *one that doesn't belong*

Review: country, town, illnesses, adjectives, jobs, actions and activities, *can see ...*

● MATERIALS REQUIRED

Illness flashcards (63–70)

Optional: *Kid's Box AE Interactive DVD 3: Sally's room Quiz 3*, *Kid's Box AE Workbook 3 Language Portfolio page 93*

Warmer

- Say, e.g., *I can see something in the classroom. It's big, and it's blue. It's on the floor close to the door.* Students take turns guessing, using *Is it ... a book?* Repeat. Students can take turns naming and defining objects for the other to guess.

SB63. ACTIVITY 2. Find eight more differences. toward

- Tell students to open their Student's Book to page 63. Focus them on the two pictures. Say *They're not the same. There are some differences.* Read the example speech bubble and check comprehension. Students close their books. Provide them with the language to use: *I can see ... There is/are ... The boy is eating ...* Write the prompts on the board and check students know what they're going to do (take turns describing parts of the two pictures where there are differences). Students open their books and do the activity in pairs. Monitor to help and prompt. Elicit the differences.

Key:

A man is next to (1) a river, (2) a lake.

A man and a woman are sitting on (1) a blanket, (2) chairs.

A boy is eating (1) a sandwich, (2) an apple.

A woman has (1) apple juice, (2) milk.

A boy has (1) a green towel, (2) a blue towel.

A girl is (1) drawing, (2) reading.

There (1) are flowers, (2) is a tree.

There is (1) a field, (2) a forest.

SB63. ACTIVITY 3. Choose the right words.. toward

- Review illness vocabulary with the flashcards.
- Focus students on Activity 3 and on the activity instructions.
- Do number 1 as an example. Invite one student to read the definition and another to supply the word (*field*). Students work individually and complete the activity. They check in pairs.

Key: 1 a field, 2 a river, 3 a headache, 4 chocolate, 5 a temperature, 6 a blanket

SB63. Quiz!

- Say *Now let's read and remember.* Remind students of the meaning of *quiz*. Focus students on the questions. They look back through Units 5 and 6 and find the answers. They discuss them in groups of four. Check with the class.

- Students write two more questions of their own to help them remember the language and/or vocabulary from the units. They write the questions in their notebooks. Students close their Student's Books. Volunteers ask the class one of their questions.

Key: 1 She has a temperature. 2 He has a cough and a cold. 3 The Toothache. 4 They're having a picnic. 5 She's thirsty. 6 The country / the river.

WB63. ACTIVITY 3. Circle the one that doesn't belong.

- Tell students to open their Workbook to page 63. Direct them to the Activity 3 instruction and the example answer. Elicit why *shoulder* is different (a part of the body). Students work in pairs. Monitor and help/guide, but encourage them to figure out the answers. Check with the class, eliciting the reasons.

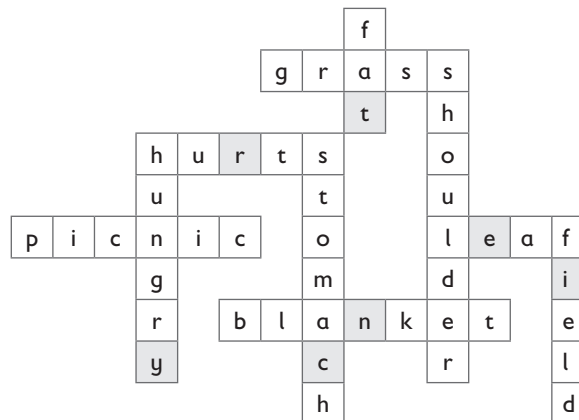

Key: 2 hungry, 3 hurts, 4 stomach, 5 field, 6 leaf, 7 fat, 8 picnic, 9 grass, 10 blanket

WB63. ACTIVITY 4. Now complete the crossword puzzle.

Write the message.

- Focus students on the crossword puzzle and on the first part of the activity instructions. Remind them to fit the words from Activity 3 into the crossword puzzle (as in the example), depending on the length of the words and the clue letters given in the grid. Direct them to the letter clues already in the crossword puzzle. Students work in pairs and try to complete the crossword puzzle. Remind them to use pencil and to ask their friends for help. Monitor to help and support.
- Focus students on the second part of the activity instructions. Students transfer the letters in the numbered squares to find the message. Check the message with the class (*Nice try!*).

Key:

Extra activity: see page T107 (if time)

Ending the lesson

- Students work in groups of four. They need one *Do you remember?* between three. Two students (A) use a book (or paper) to cover the words from Unit 5. The other two students (B) take turns saying what each picture is and spelling the word. The As look and check. They reverse roles for Unit 6.
- Talk about the *Can do* statements from Units 5 and 6 with students and elicit examples from volunteer students for each one.
- Ask students which lessons, topics, and/or activities were their favorites.
