

OBJECTIVES: By the end of the lesson, students will have reviewed language from Units 7 and 8 and played a game.

● TARGET LANGUAGE

Key language: vocabulary and language from Units 7 and 8

Review: weather, wild animals, city, country, language for games, adjectives

● MATERIALS REQUIRED

A die and four different colored game pieces for each group of four students

Warmer: Four large pieces of paper with *weather* written on one, *wild animals* on another, *city* on another, and *country* on another, word cards from Units 4, 6, 7, and 8 (*Kid's Box AE Teacher's Resource Book* 3 pages 85, 87, 88, and 89) each with poster putty on the back, Flashcards city (53–62), country (71–78), wild animals (91–99), and weather (103–109)

Warmer

- Display the four pieces of paper with the topics written on them around the room. Mix up the word cards from Units 4, 6, 7, and 8 and hand one to each student in the class. Students stand up and stick their word card on the correct piece of paper. Fast finishers come and collect another word card from you.
- Students sit down again. Ask volunteers to read the words in each category. Check if the words are in the correct place with the class.
- Hand out flashcards from Units 4, 6, 7, and 8 (one for each student). Students stand up again. They stick each flashcard next to the appropriate word cards.

Note: If you do not have word cards or flashcards, call out words from the different topics at random. Students all point to the piece of paper with the appropriate topic. Volunteers write the words on the paper.

SB80. ACTIVITY 1. Play the game.

- Students open their Student's Book to page 80. Elicit what they can see (a game). Ask what number the game looks like (8). Say *Can you remember some of the language we use in games?* Elicit/prompt, e.g., *Whose turn is it? Pass the die. I'm red. What does ... mean? You've won. That's not fair.* Remind students to use English. Say *You speak* (their mother tongue), *you miss a turn!* Check understanding of *miss a turn*.
- Focus students on the Instructions box. Read the instructions aloud and check comprehension of the topics. Check students know how to play and demonstrate the game. They play in groups of four. Each student has one group of words to collect, e.g., animals. They write their topic in their notebook, find the seven words for their topic in the game, and write them in their notebooks. Students take turns rolling the die and going around the board. When they land on a word from their word group, e.g., *parrot*, they must say it and then check it in their notebooks.

- As a further follow-up activity, play a spelling game with the students using target words and language from units 7&8, e.g., *penguin, great, huge*, etc. Elicit the beginning of each word for students. For example, say *Give me a "p"* (class repeat), *Give me an "e"* (class repeat), etc.
- Students make groups of four. They clear their desks and place one book in the center. Hand out a die and four different colored game pieces to each group. They roll the die to see who starts. Play moves from Start to square 28. The first student in each group to collect all seven of his or her words is the winner.

WB80. ACTIVITY 1. Read, color, and draw.

- Tell students to open their Workbook to page 80. Focus them on the activity instructions and check understanding. Ask students to read the first three sentences of the story. Mime coloring the thinner bear gray as an example and elicit what they have to do in the rest of the activity (read and color). Tell them they also have to draw something – they will find out as they read the story. Students work individually. They read the text and color the picture / draw as instructed. Remind them to check with their partner if they're not sure. Monitor as students are working.
- Elicit from the class what they drew (the information in the final paragraph).

Extra activity: see page T109 (if time)

Ending the lesson

- Do a spelling chant to finish the lesson, e.g.,
Teacher: *Give me a "c."*
Students: *c*
Teacher: *Give me an "l."*
Students: *l*
Teacher: *Give me an "o."*
Students: *o*
Teacher: *Give me a "u."*
Students: *u*
Teacher: *Give me a "d."*
Students: *d*
Teacher: *Give me a "y."*
Students: *y*
Teacher: *What do you have?*
Students: *Cloudy!*
- Students can take turns leading other chants.
